DEFENCE RAYA GOLF RESORT

...in breathtaking vistas.

...in green serenity

600 emerald acres of sculpted landscapes, designer homes and a world-class golf and country club. Welcome to the Defence Rays Golf Resort, Pakistan's flagship resort-integrated residential community.

Dotted across the resort like pearls on velvet green, the Defence Rays Golf Resort is synonymous with stature and the luxury of life. Now, with the launch of a second phase of limited edition homes, comes the rare opportunity to join the elite community.

...and the freedom of open spaces

Pamper and escape

At the Defence Raya Golf Resort, a new world lies beyond your front door, offering all the trappings of a cosmopolitan lifestyle.

Stylish office suites, designer boutiques, cafes, restaurants and so much more. A first for Pakistan, and a must for the high-flying professional and sophisticated shopper.

Work, or play

Celebrate together,
or dream in seclusion

...in 6-star facilities

Membership certainly has its privileges. Like a world-class golf course designed by Nelson & Haworth that provides a bracing challenge for seasoned golfers, gentle exercise for beginners, and plenty of visual drama for both.

For the non-golfing fraternity, there is a heated swimming pool for men and women, squash courts, games rooms, and gymnasiums. Exclusive restaurants and grand ballrooms are also available to those whose *raison d'être* is to entertain.

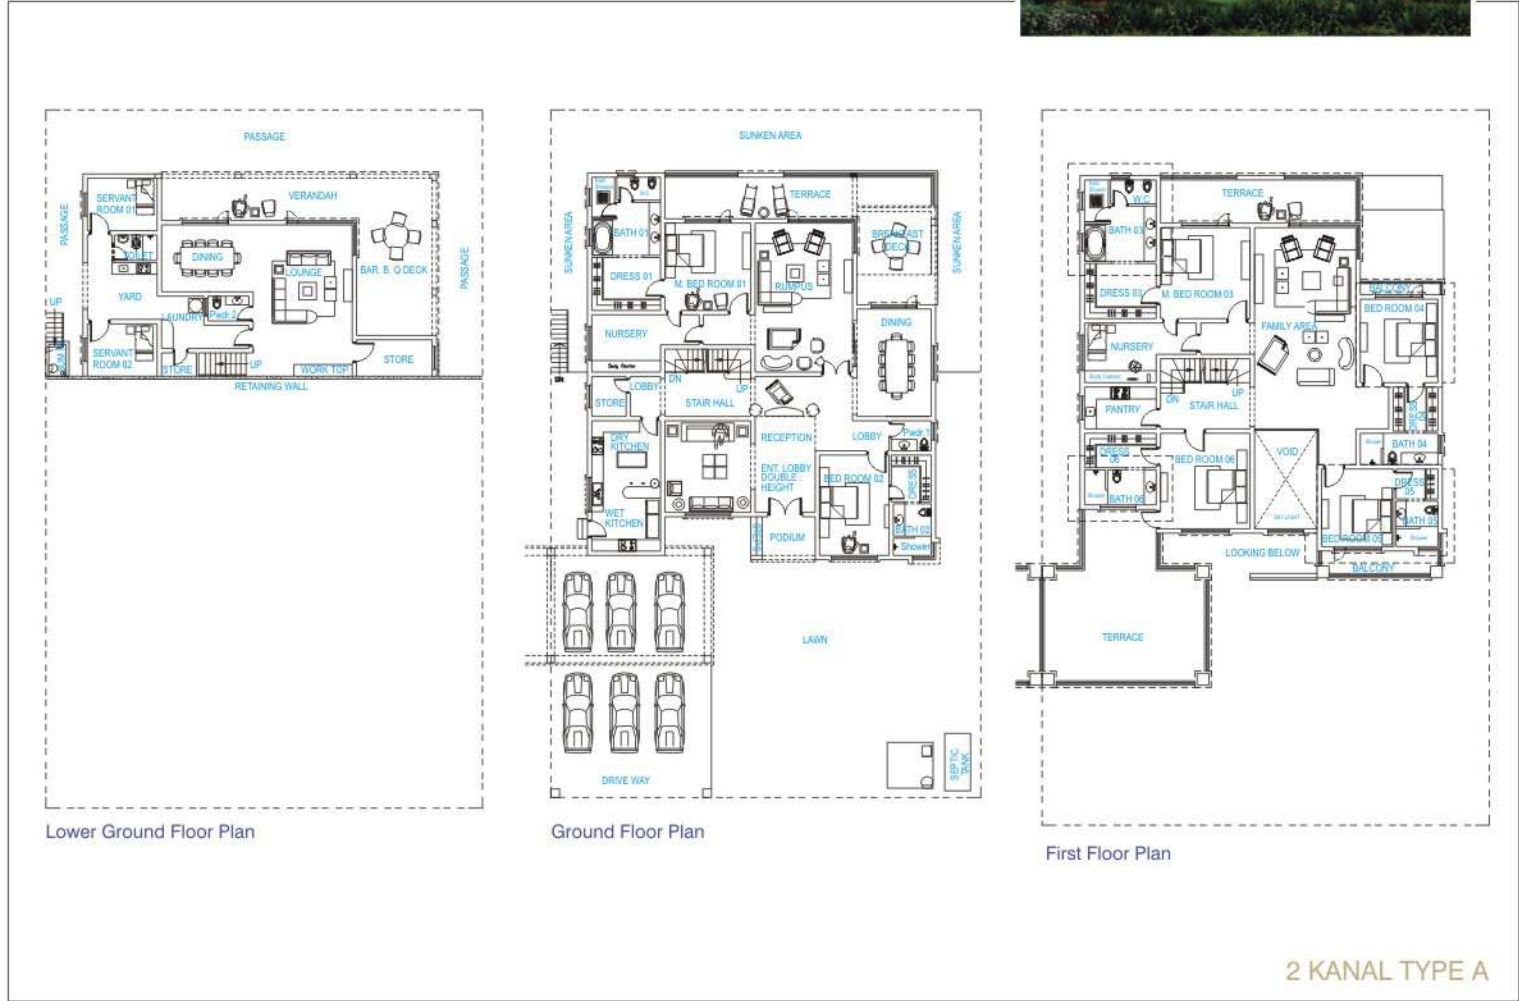

You can enjoy it all with the peace of mind that comes from living in a gated community under vigilant guard.

2 Kanal Luxury Bungalows

Artist's impression subject to change

In a word, stunning. A generously proportioned, well-appointed luxury residence for the extended or multi-generational family at work or play.
