

MUNCH

MUNCH

Munch is a lively word that captures the sound and pleasure of eating with enjoyment. It originated in the late 14th century from the Middle English word *munchen*, meaning to chew steadily or noisily, and has roots in Old French *muchier*, meaning to chew or grind.

Over time, *munch* evolved to describe relaxed, happy eating rather than hurried consumption.

Today, it suggests comfort, leisure, and satisfaction, often linked with snacks, shared moments, and casual dining. Munch reminds us that eating is not just nourishment, but a sensory experience meant to be savored slowly and joyfully by people everywhere across cultures.

Appetizers

Carefully curated starters designed to tease your taste buds before the main indulgence.

- 1200 **Tex Mex Egg Rolls**
Crispy golden egg rolls stuffed with seasoned chicken, red beans, corn, cheese, bell peppers and served with a cool, tangy dipping sauce
- 1150 **Bruschetta al Pomodoro**
Toasted bread topped with diced tomatoes, basil, garlic & cheese, drizzled in olive oil and sprinkled with sea salt
- 2500 **Fritto Misto**
Batter coated calamari, prawns, and sole fish, crisped to golden perfection. Served with lemon wedges, and our tangy house tartar sauce
